

# THE COMPASSIONATE FRIENDS

Of Milwaukee County

To all of our Compassionate Friends,

There is an immediate search for people willing to get involved with TCF Milwaukee County. People who want to make a difference in the community while helping yourself help others with families who have had children die, too young too soon.

These are the most rewarding service positions around.

We are in need of leaders for the following TCF Milwaukee positions:

- *Facilitators that are willing to attend monthly support meetings. Making sure new members get the materials they need at their first attended meeting.*
- *Committee leader to plan and prepare the Worldwide Candle Lighting in December.*
- *Committee leader to plan and prepare the Annual Balloon Launch held each summer.*
- *Record keeper. A person willing to obtain and manage membership and mailing lists. And to assist in various mailings.*
- *Monitoring TCF Milwaukee eMail site. Keep the webmaster updated on new children's pictures and events for webpage.*

Don't be overwhelmed. TCF Milwaukee will send interested persons to a weekend of training at the National Office in Oak Brook Illinois on their next availability.

***The mission of The Compassionate Friends is to assist families toward the positive resolution of grief following the death of a child of any age and to provide information to help others to be supportive.***

Please consider giving back to your community. We do not want this chapter to pass an opportunity to serve.
