The Compassionate Friends Worldwide Candle Lighting, held annually the second Sunday in December, this year December 14, unites family and friends around the globe as they light candles for one hour to honor and remember children who have died at any age from any cause. As candles are lit at 7 p.m. local time, creating a virtual wave of light, hundreds of thousands of persons commemorate and honor the memories of children in a way that transcends all ethnic, cultural, religious, and political boundaries.

Now believed to be the largest mass candle lighting on the globe, the Worldwide Candle Lighting, a gift from TCF to the bereavement community, creates a virtual 24-hour wave of light as it moves from time zone to time zone. Hundreds of formal candle lighting events are held and thousands of informal candle lightings are conducted in homes as families gather in quiet remembrance of children who have died, but will never be forgotten.

Join us in helping this phenomenal event grow even larger!
We do this . . . *that their light may always shine!*
